

ABHISHEK RUSTAGI
B.Arch (SSAA) MBA-Real Estate (USMS)
Architect

Abhishek is an architect with 8 years of work experience and a specialization in real estate management. During the course of his experience in several architectural studios, he has gained various skills in design and building management. He has worked on projects of varied nature and scale that has given him experience in project management, interior design and design development of architectural solutions for large projects in the field. His training and meticulous approach to design and direction of others in the construction arena creates a collaborative platform of work ethic. A top down/non hierarchal approach to business management characterizes his agenda to collaborative alliances in the industry.

On the professional front, he worked with Vatika Ltd. (2013) on a 700 acres development –Vatika India Next (Manesar) as a project manager for large-scale commercial developments like INXT City Centre Manesar and One on One Gurgaon.

In Jasbir Sawhney and Associates (2008-2012), he worked on several projects that were characteristically varied. His experience in Residential Developments includes involvement with the design of Jaypee Greens Aman (Noida) and the BPTP Amstoria at Dwarka Expressway.

In Morphogenesis Architecture Studio (2006-2007), he worked on several Urban Design and commercial projects like Bengal Ambuja Township, Siliguri and City Centre (Siliguri) and Farmhouse in Rishikesh, which enabled his exposure to interior design and client management.

In 2013, Silver Studio was initiated with the idea to create meaningful architecture. Projects executed include: Interior design of a residence and Project management consultancy of Punjab National Bank Housing Finance Ltd. office interior fitout.
